Dear TCAP Contributor,

The Treasure Coast Autism Project (TCAP) is proud to be preparing for its 2<sup>nd</sup> Annual **Ante Up for Autism** Event. The Event is set to take place on Saturday, October 1, 2016 from 6PM-11PM located at Flagler Place 201 SW Flagler Avenue; Stuart, FL 34997.

This Adult Only Community Event will feature Food, Drinks, Casino Fun Money, Raffle, Silent Auction, Live Auction, DJ, Music, Dance Floor, and a whole lot of fun.

Fundraisers like Ante Up For Autism allow the school to sustain classroom needs and provide scholarships to families in our community. TCAP is a 501(c)3 not for profit organization dedicated to helping children with autism and their families on the Treasure Coast. The demand for our program continues to grow each year.

**Did You Know:**

- >Autism is almost 5 times more common among boys (1 in 42) than girls (1 in 189)
- >Autism is reported to occur in all racial, ethnic, and socioeconomic groups
- >Cost of lifelong care can be reduced by 2/3 with early diagnosis and intervention

TCAP is a school located in Stuart, Florida for children with autism; offering a kindergarten through middle school program. The students come from all regions of the Treasure Coast and we have a wonderfully diverse student population. Our mission is to improve the lives of children living with autism on the Treasure Coast, by providing educational opportunities, which are suitable to each child's unique academic, therapeutic, and social needs.

In order to keep meeting the needs of families on the Treasure Coast, we are reaching out to the community for their support.

**We are requesting donations:**

- \*Sponsors for the event
- \*Gift cards/items for auction
- \*Monetary donations

All proceeds from the event will go directly back into the program to enrich the quality of education and school environment for each child, as well as provide additional opportunities.
